**Re: American Office v. FCI Inc.  
Civil Action No. WDQ 02-502**

Dear Judge Quarles:

I have been notified by the clerk's office that this case has recently been assigned to you. Judge Smalkin had previously requested an update by March 31, 2003, as to the status of settlement. A settlement agreement has been prepared and has been sent by my client to a representative of the defendant. The defendant's representative advised my client that he would sign and return the agreement this week. Once I receive the signed agreement, the parties will promptly file a stipulation of dismissal.

Thank you for your consideration in this matter.

Respectfully,

Daniel S. Katz
